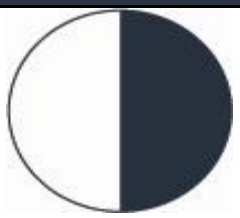
## Project Status



## Significant Progress this Quarter

Activity was limited during the 4th quarter pending the State of Missouri's approval of the City's request to expand use of the Missouri funds to include financial assistance payments for Kansas City Missourians in addition to Clay Co. The City proposed to cover case management services under its contract with reStart. Family Environmental would continue to perform habitability inspections. Expenditures for the quarter were for prior month invoices being held for clarification from the both the State and the subrecipient. Seventy-eight percent (78%) of the funds have been spent grant to date.
