

**ARRA October 1<sup>st</sup> - December 31, 2009 Summary Report  
2<sup>nd</sup> Quarter**

**Home Weatherization – Housing and Community Development Department**

The Home Weatherization program through the American Recovery and Reinvestment Act has spent \$681,327 October 1<sup>st</sup> through December 31<sup>st</sup>. Those funds have successfully completed 164 homes with energy efficiency measures. Over Twenty (20) different contracting companies put in over 8000 hours with up to 60 workers in the field to provide the weatherization service.
