

ARRA December 2009 Summary Report
Indian Creek Trail – Parks and Recreation Department

On May 11, 2009 Kansas City Park Recreation Department had been selected for Transportation Enhancement Program funding from the American Recovery and Reinvestment Act. The Missouri Department of Transportation (MODOT) has assigned ARRA-ES04(024) as the federal project number.

1. Indian Creek Trail (Lydia to UP) - \$365,000.00.

ARRA funds will be used to construct pedestrian walking trail for approximately 2,300 linear feet along the Indian Creek Greenway under the authority of the Kansas City Parks and Recreation Department. The area is used as a pedestrian trail for walkers and bicyclist for access to neighborhoods, businesses, schools and recreational areas. This section of trail connects: Missouri to Kansas, Five cities, two counties, and several miles of trail.

Final plans have been reviewed and approved by MODOT. Right-of-Way has been cleared and MODOT has requested obligation from Jefferson City MODOT Office of ARRA funds. Project will bid in February with construction occurring in summer 2010 and final completion by September 2010.
