Re: Material Event Notice ("Event Notice") for the City of Kansas City, Missouri General Obligation Bonds, Kansas City Municipal Assistance Corporation ("KCMAC"), Industrial Development Authority of Kansas City, Missouri ("IDA"), Special Facility Revenue Bonds (MCI Overhaul Base) Series 2005G and Special Obligation Bonds Series 2008A, B, C and D (See Attachment II for CUSIPs)

To Whom It May Concern:

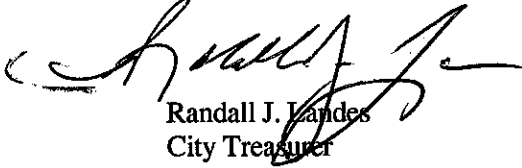

On June 25, 2009, the City of Kansas City, Missouri (the "Obligated Person") was notified by Fitch Ratings ("Fitch") of a downgrade in the long-term credit ratings of its outstanding general obligation bonds to "AA+" from "AAA." Fitch also downgraded the KCMAC Bonds to "AA-" from "AA," the IDA Bonds to "AA-" from "AA," the Special Facility Revenue Bonds (MCI Overhaul Base) Series 2005G to "AA-" from "AA", and Special Obligation Bonds Series 2008A, B, C and D to "AA-" from "AA." (collectively the "Bonds") (See Attachment I)

An explanation of the significance of such ratings may be obtained from Fitch Ratings at One State Street Plaza, New York, New York 10004. Such ratings reflect only the views of Fitch. Generally, rating agencies base their ratings on such information and materials and on investigations, studies and assumptions made by the rating agencies themselves. There is no assurance that the ratings mentioned above will remain in effect for any given period of time or that such ratings might not be lowered or withdrawn entirely by Fitch, if in their judgment circumstances so warrant. The Obligated Person has undertaken no responsibility to oppose any such proposed revision of withdrawal. The Obligated Person has agreed, pursuant to and subject to the terms of the Agreement/Undertaking, to notify the Municipal Securities Rulemaking Board or each National Recognized Municipal Securities Information Repository ("Repositories") and the State Repository, if any, of any change in the rating of the Bonds. The Securities and Exchange Commission approved amendment of Rule 15c2-12, effective on and after July 1, 2009, requiring filing disclosure submissions with the MSRB via their Electronic Municipal Market Access System. Also, EMMA replaces the four (4) existing Repositories, as well as, the Central Post Office disclosure service. Any downward change in or withdrawal of a rating might have an adverse effect on the market price or marketability of the Bonds.

The information contained in this Event Notice has been submitted by the Obligated Person to report certain information with respect to the Bonds. Nothing contained in this Event Notice is, or should be construed as, a representation by the Obligated Person that the information included in this Event Notice constitutes all of the information that may be material to a decision to invest in, hold or dispose of any of the securities listed above, or any other securities of the Obligated Person.

Please direct any questions you may have concerning this report to Mr. Willie Roman at (816) 513-1031.

Respectfully,

Randall J. Landes
City Treasurer
