

Economic Development & Incentive Policy Task Force

Agenda

July 18, 2007 – 4:00 p.m., City Hall, 26th Floor

The first half of today's meeting will conclude the planned, formal presentations to the Task Force. The second half of the meeting will begin to frame the policy debate. Linwood Tauheed will report back to the Task Force on its consensus top five community indicators. A representative from UMKC's Center for Economic Information will present some baseline information on these indicators. Finally, Sheila Shockey will facilitate a discussion regarding public involvement with the Task Force.
