

VOLUNTEER OPPORTUNITIES

Wilderness Run

SATURDAY, NOVEMBER 6, 2010 AT SHOAL CREEK/HODGE PARK

The Wilderness Run is a challenging 5 mile cross country run that takes place in and around the natural settings of the museum. Runners will run through the village, around fields, up and down hills, over and under logs, in and out of woods, crossing creeks, and more!

We need **25** able volunteers to provide assistance during this exciting event. The purpose of the event is to give the public the opportunity to explore this beautiful area in a unique way. The event will also promote the wonderful attributes of the Shoal Creek Living History Museum. The Shoal Creek Association will bring the museum to life as they portray the lifestyle of the 19th Century inside many of the buildings dating from 1807-1885. I believe you will enjoy being a part of this worthy event.

With your agreement to work 4 hours Saturday morning (7:15am to 11:15am) you will receive a long sleeve shirt and refreshments. We will greatly appreciate your time and help! Please remember to dress accordingly to the weather.

Shoal Creek is located in Hodge Park at 7000 NE Barry Road, Kansas City, Missouri 64156. Located off of 152 in-between I-435 and I-35, 2 miles west of Liberty, Missouri. The Wilderness Run starts at 9:00am.

Volunteers Needed Saturday, November 6th 7:15am-11:15am
