Restaurant/bar 90-day waiver

I hereby request the director of the Neighborhood and Community Services Department to waive, for a period of 90 days, the requirement that I furnish a certified public accountant's certificate showing that a minimum of 50 percent of the gross monthly income from my business was derived from the sale of prepared meals or food consumed on the premises. I further agree to furnish the required certificate after 90 days of operation.

I also acknowledge that in order to maintain the status of a restaurant/bar, my establishment must derive 50 percent or more of its annual gross sales from the sale of prepared meals and food made and consumed on the premises or have annual gross sales of at least $200,000 from the sale of prepared meals and food consumed on the premises. I will fully familiarize myself with Chapter 10 of the code of ordinances of the City of Kansas City, Mo., so that proper records will be maintained so that I can furnish the Regulated Industries Division a certificate from a certified public accountant that will accurately reflect the alcohol/food gross sales monthly percentages after 90 days of operation.

I fully understand that the restaurant/bar classification and/or the restaurant/bar (Sunday) license is subject to forfeiture should I fail to furnish the 50 percent minimum food sales requirement within 90 days of operation as set out in Section 10-104 of the code of ordinances of the City of Kansas City, Mo.
