

## RESOLUTION

Be it resolved by the Director of Public Works of Kansas City, Missouri that the following listed Section of Division II, Construction and Materials Specifications, approved and adopted December 15th, 1982 by the Kansas City Metropolitan Chapter of the American Public Works Association is approved and adopted as Official Standard Construction and Materials Specifications for the Department of Public Works of Kansas City, Missouri with like section and page numbers, and hereby modified by the replacement pages of the attached supplement.

Section 2800      Construction and Material Specifications for Street Lights

A copy of said specifications criteria and supplement are attached hereto and incorporated herein by reference.

The criteria shall become effective May 1, 2001 and shall supersede, in whole page format, all previously adopted Standard Specifications having the same section and page numbers as this supplement replaces.

Approved and adopted as Official Document No. 010188,  
this 30th day of March, 2001.

George E. Wolf, Jr., P.E.  
Director of Public Works  
of Kansas City, Missouri
