

## Programs offered by Animal Health & Public Safety

(to Kansas City, MO residents)

**4400 Raytown Rd**

**Kansas City, MO 64129**

CITY OF FOUNTAINS  
HEART OF THE NATION

KANSAS CITY  
MISSOURI

### ○ **School programs**

#### 1. Pet Safety

- a. What should you do if an unfriendly dog approaches you?
- b. What should you do if your dog is hit by a car?
- c. What if your pet is lost?

#### 2. Pet Care

- a. What type of veterinary care does your pet need?
- b. What type of shelter, food, water requirements does your pet need?
- c. How long does your dog or cat live?
- d. Why do you have to walk your dog?

### ○ **Community Outreach Programs**

1. We will come to your Neighborhood Association Meetings, or any type of organized group, to talk about services that Animal Health & Public Safety provides; and what your responsibilities as a citizen of Kansas City, MO are.
2. If you own or manage an apartment complex, we can come and talk to your tenants about being responsible pet owners.
3. Can you do anything if your neighbor's dog barks all night long?

Animal Health & Public Safety is also looking for **volunteers**. We especially need dedicated, hard-working individuals who might like to work one or two Thursday evenings or Saturday afternoons once or twice a month.

If you are interested in either volunteering or having us come and speak to your group, please contact:

**DiAnn Roberts at 816-513-9816.**
