90 DAY WAIVER – REGULATION NO. 3

I hereby request the Director to waive for a period of 90 days, the requirement that I furnish a certified public accountant's certificate showing that at least 50% of the gross monthly income from my business was derived from the sale of prepared meals or food consumed on the premises. I agree to furnish the required certificate after 90 days operation.

I also acknowledge receipt of a copy of Regulation No. 3 setting out the record keeping requirements and procedures of all establishments licensed as a restaurant/bar. I will fully familiarize myself with that material so that proper records may be maintained and I can furnish the Regulated Industries Division a certified public accountant's certificate accurately reflecting the alcohol-food gross sales monthly percentages after 90 day operation.

In addition, I fully understand the restaurant classification and/or restaurant/bar (Sunday) License is subject to forfeiture should I fail to furnish the afore-said certificate at the proper time, and/or meet the 50% gross food sales percentages as set out in Section 10-124(b), Code of General Ordinances, City of Kansas City, Missouri.
